

NEW HOMEWORK SCHEME

Your child should bring a pack home containing a Literacy and a Maths homework book. The routine is as follows:

- Homework will be set every FRIDAY. This will be a page each of Maths and English.
- It is very important that your child only completes the pages set and does not do any extra pages as these are for later on.
- Homework must be handed in on THURSDAY.
- As well as written homework, the children should be reading to an adult (younger children) or independently (older children) each day, practising any spellings or phonics sounds they may be given and practising counting or times tables as directed by the teacher, each day.

- Teachers also set activities to be completed at home on our Education City website.
- On Thursdays ALL of the children are expected to be thinking about, talking about and making notes (older children) for their **BIG WRITING** on Friday morning.
- If for any reason your child does not seem to have received their homework for the week or it has not been marked, please contact the teacher and / or the headteacher or deputy headteacher immediately so that the problem can be quickly sorted out.

If you need any advice or further information about homework, please see your child's teacher straight away.
