

# **Charging Policy**

Approved by BoD: December 2015  
Policy Review Date : December 2016

## CHARGING POLICY

### Purpose

We believe that all our students should have an equal opportunity to benefit from school activities and visits (curricular and extracurricular) independent of their parents financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimize the financial barriers which may prevent some students taking full advantage of the opportunities.

The Board of Directors cannot charge for:

- an admission application to any maintained school
- education provided during school hours (including supply of any materials, books, instruments, or other equipment)
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school, or part of religious education.
- tuition for students learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school.
- entry for a prescribed public examination, if the student has been prepared for it at the school; and
- examination re-sit(s) if the student is being prepared for the re-sit(s) at the school.

However the Board of Directors will charge for 'Optional Extras':

- education provided outside of school time that is not
  - a) part of the National Curriculum
  - b) part of a syllabus for a prescribed public examination that the student is being prepared for at the school
  - c) part of religious education
- examination entry fees(s) if the student has not been prepared for the examinations at the school
- transport that is not required to take the student to school or to other premises where the Board of Directors have arranged for the student to be provided with education: and
- board and lodging for a student on a residential visit.

When calculating the cost of 'Optional Extras' and amount may be included in relation to;

- any materials, books, instruments, or equipment provided in connection with the optional extra
- non-teaching staff
- teaching staff engaged under contracts for services purely to provide an optional extra ie, supply staff

Any charge made in respect of individual students **must not** exceed the actual cost of providing the optional extra activity, divided equally by the number of students participating.

Furthermore in cases where a small proportion of the activity takes place during school hours the charge cannot include the cost of alternative provision for those students who do not wish to participate. Therefore no charge can be made for supply teachers to cover for those teachers who are absent from school accompanying students on a residential visit.

**Participation in any optional extra activity will be on the basis of parental choice and willingness to meet charges. Parental agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.**

### Voluntary Contributions

- If the activity cannot be funded without voluntary contributions, the Board of Directors or Principal should make this clear to parents at the outset
- The Board of Directors or Principal must also make it clear to parents that there is no obligation to make any contribution.
- No student should be excluded from an activity simply because his or her parents are unwilling or unable to pay.
- If insufficient voluntary contributions are raised to fund a visit, then it must be cancelled.
- The school will make it clear from the outset what its policy for allocating places on school visits will be.

### Accepted Benefits for Financial Support

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit Run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit

The Act prohibits us from charging directly for the cost of visits which take place during school time. Since funds to cover these activities are limited we can either abandon all such visits or continue them with parents making voluntary contributions to cover the costs.

Board of Directors adopted the following policy on charges for school activities across the Academy:

1. The principles of the Fair Access Division charging guidance be accepted
2. In order that educational visits and residential activities continue and be properly funded and staffed, they should all be regarded as `voluntary' activities for which parents would make a voluntary contribution. In this way the viability of a particular activity may be assessed at an early stage.
3. Full remission of charges for those qualifying be made from alternative sources of funding - notably School Fund.
4. The school act as `agent for tour companies, for appropriate and approved activities e.g. ski trips.
5. Responsibility for deciding on the suitability of any visits or residential activities and for the granting of any required leave of absence be delegated to the Principal, subject to the Board of Directors, through the chairman, being kept fully informed on such matters.
6. Regarding public examinations, parents be fully liable for any fees incurred through :
  - i) Late withdrawal of any entry
  - ii) Non-attendance at an *examination* unless good reason (e.g. Doctor's note) be given.
  - iii) Serious misconduct in an examination leading to exclusion.

- iv) A re-sit examination supported by the SL or Principal where they are no longer being prepared for this.
- 7. For particular curriculum activities parents may be required to provide equipment or materials for that activity to take place within the rules of the school. Examples would include:
  - i) Suitable footwear for activities: e.g. in craft Workshops and for sporting activities (football/ hockey boots)
  - ii) Materials for Craft and Food Technology activities where the parents have agreed in advance to own the finished product.
- 7. For vandalism of school property or equipment or for loss of books or equipment, a charge to be made to parents at a level to be negotiated by the Headmaster.
- 9. This policy to be reviewed and amended as necessary.

### **EDUCATIONAL VISITS & RESIDENTIALS**

The Education Reform Act prohibits us from charging directly for the costs of visits which take place in school time. Since funds to cover such proposed activities are limited, we can either abandon all such visits or continue them with Parents making voluntary contributions to cover the costs. We consider that the visits we offer are of great benefit educationally and propose to attempt to continue with them as described.

Accordingly when a visit is proposed, it will be assumed that everyone who expresses an interest to go is prepared to make a voluntary contribution of the full amount as soon as it is evident that the level of support will make the visit viable. This collection of donations will usually take place as soon as we know there is sufficient support. If, in the event, not all donations are forthcoming we reserve the right to cancel the visit since we are forbidden to differentiate between those who make a donation and those who do not. Those parents who are in receipt of a benefit will be exempt from paying the cost of board and lodging.

## **PRINCIPAL CIRCUMSTANCES IN WHICH CHARGING IS PERMISSIBLE UNDER THE ACT**

1. Board and lodging on residential visits the charge may not exceed the actual cost.
2. Charges for teaching either an individual student or groups of an appropriate size to play a musical instrument or to sing. Chargers may only be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the student.
3. Activities which take place wholly or mainly outside school hours. However, a charge can only be made for the activity if it is not part of the National Curriculum, not part of a syllabus for a prescribed public examination is being prepared for at the school and not part of religious education.
4. The cost of entering a student for a public examination not prescribed in regulations, and for preparing the student for such an examination outside school hours.
5. Re-sits of prescribed public examinations where no further preparation has been provided by the school.
6. Any books, materials, instruments or equipment where the child's parent wished him to own them.

## **ACTION BY DIRECTORS**

1. Board of Directors will need to determine their own charging and remissions policies which may be more or less generous than the policies of the LA provided that they meet the requirements of the law.
2. For each of the areas of charging and remissions, the policy should detail the responses in each case.

## **ACTION BY PRINCIPAL**

1. When evidence of receipt of benefits is received a standard reduction of 20% is offered, if the parent is in a position to voluntarily contribute to the activity.
2. If a parent is unable to contribute but is not in receipt of a recognised benefit a contribution of any amount should be requested.
3. Once a parent has been approached with an offer and it is established a contribution cannot be made, then the Group Leader and Business Director should be notified to make alternative financing arrangements.
4. Before a decision can be made a request should be made in writing showing evidence of hardship and support agreed by the relevant Principal.

Activity	Direct Charge Permissible	Charges on a voluntary basis only	Remission arrangements
<p>1. Residential - outside school hours and not part of curriculum <i>optional</i></p>	<p>1. Board and Lodging (Actual Cost only) 2. Cancellation Charges (Actual) 3. Travel 4. Insurance 5. Essential Clothing 6. Expenses of employees, supply staff</p>	<p>1. Subsidy to cover any other expenses.</p>	<p>1. LA - None 2. Directors - to assess individual cases determine and fund if agreed 3.
