

# St Joseph's Catholic Primary School

Dear Parents

## Playground Works

Fantastic news! Work on the modernisation of our playground is starting in the Easter Holidays and is expected to last for 8 weeks. This is a major project costing over £100,000 and once finished will be a beautiful legacy for generations of St Joseph's children to come.

There will unfortunately be some temporary disruption involved and we really need to ask for your help and cooperation.

**The back gate will be closed throughout the playground works** as the site compound and storage area will be based in this area. As soon as the works are finished (and we have a fantastic new playground) the back gate will be open again.

### **Please can we ask for your help and support?**

**Please, please consider your journey to school after the holidays bearing in mind the back gate is going to be closed for around 8 weeks.** There is not enough room for everyone to park on Hillcrest Road and if everyone did this, there would be a potentially very dangerous situation.

**Please park in your normal place on Watsons Green Road and walk round to the front entrance.** It only takes a couple of minutes longer. **Please do not risk causing an accident by adding to the congestion on Hillcrest Road.**

We realise closing the gate will cause some short term disruption but we really, really promise you **THE NEW PLAYGROUND WILL BE WELL WORTH THE DISRUPTION!**

Once the new playground is completed we'll hold a special opening event where all of the parents can come and see the amazing play environment our children will have access to. We're so excited.

Many thanks in anticipation of your patience and support.

Yours sincerely

M Hinton  
Principal
