

Learning Project WEEK 6- Food

Age Range: EYFS

Weekly Maths Tasks (Aim to do 1 per day)

- Watch a **Number Blocks** episode each day at: [BBC](#) or [CBeebies](#). Use this guide [here](#) for ideas on what to do with your children whilst watching an episode.
- Play the Number Blocks add and subtract [game](#).
- Explore weighing and measuring food on the kitchen scales. Ask, what happens as you place more on the scales?
- Look for numerals on packaging you find around the house. Can your child recognise the numerals and count out a matching amount?

Weekly Reading Tasks (Aim to do 1 per day)

- Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development.
- **Reception age children:** Children to read to parents daily. Visit Oxford Owl for free eBooks that link to your child's book band. You can create a [free account](#). Complete the linked Play activities for each book.
- **Reception age children:** With your child, look in magazines, newspapers and books for the tricky words they are currently learning. They could use a highlighter to highlight in magazines and newspapers.
- **Nursery aged children:** With your child, look in magazines, newspapers and books for some of the letter sounds you have been learning on 'Mrs. Hill's Nursery Blog'.
- Look at recipe books and food magazines. Encourage your child to use their phonics knowledge to decode the ingredients list. Select a recipe and make this together. Encourage your child to read the labels on packaging to figure out which ingredient it is.

Weekly Phonics Tasks (Aim to do 1 per day)

- Sing Nursery Rhymes and songs together. Add in actions and change the words. Can children think of different rhyming words to add in? Repeat old favourites and learn new rhymes. You can find an A-Z of [Nursery Rhymes](#).
- Daily phonics
- **Reception age children:** Practice the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud c-a-t) or written if appropriate. [Interactive games](#).
 - Nursery aged children: Watch a new phonics lesson video each day on '[Mrs. Hill's Nursery Blog](#)' and re-visit some of the previous videos.
 - **Watch RML 'Speed Sounds' Lessons on Ruth Miskin's [YouTube](#) channel.** (Set 1 Speed Sounds lessons are for children in Nursery and Reception beginning to learn to read sounds and write letters. Set 2 Speed

Weekly Writing Tasks (Aim to do 1 per day)

- Practice name writing. Can they write their first name? Middle name? Surname? (REMEMBER – only use a capital letter at the beginning of your name!)
- Practice forming the letters of the alphabet. Watch how to form the letters on [Sky Writer](#) (Reception children – remember to check the 'cursive' box on the left of the screen).
- **Nursery aged children:** watch the letter formation videos on Mrs. Hill's nursery Blog. Practise saying the rhymes and writing the letters.
- **Reception age children:** Using recipes from books as a guide, ask your child to create their own recipe for their dream meal. They could draw out the ingredients and label them and draw the finished meal. Some children may be able to write a few short sentences as instructions.
- Look at a range of different packages found around the kitchen. Discuss with your child what makes it stand out to a customer. Support them to design a package for a treat of their choice.

Sounds lessons are for children in Reception who can read Set 1 Speed sounds.)

- Pour flour, rice or lentils into a shallow tray or plate. Show your child a letter, digraph, trigraph or tricky word and ask them to 'write it' in the food using their finger.

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc.

- **Healthy/ Unhealthy.**
 - Provide your child with a selection of items from your kitchen cupboards. Can they sort them into things that are healthy and unhealthy? Discuss why the food is good for you or bad for you. Look at the [Eat Well Plate](#) to help figure out which foods they should eat a lot of or not very much of.
 - Discuss how exercise is an important part of staying healthy. Watch and complete a 10 minute [shake up](#).
 - Join in with **PE with Joe** on YouTube daily at 9.00am.
- **5 a day.**
 - Support your child to create a food diary to record how many pieces of fruit and vegetables they eat in a day. They could write these using their phonics knowledge or draw a picture of each item.
 - Ask your child to draw a number of fruits or vegetables, large enough to fill a piece of A4 paper.
- **Create a collage.**
 - Provide them with a selection of colourful packaging. Cut out and create a collage using the packaging.
- **Play shops.**
 - Using toy food or old packaging, set up a food shop for your child to act out being the shopkeeper and customer. You could introduce coins to support their developing knowledge of money. Give them a notepad to use as a shopping list to encourage in the moment writing.
- **Make corn flour gloop.**
 - Mix corn flour with a small amount of water in a mixing bowl. It will make a slimy, stretchy mixture. Allow your child to explore the change of texture from wet to dry and the texture of the gloop.

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
